Reporter stated that today Madeline (3) came back from Kevin's (father) home and was masturbating excessively. Reporter stated that she cannot get Madeline to stop masturbating. When reporter asks Madeline why she is touching herself, Madeline says "No, never." Reporter said that a few months ago the police advised reporter to take video of Madeline masturbating as evidence. Madeline was touching herself non-stop and with stuffed animals. Madeline came back from Kevin's home with a whistle that goes down to her crotch area. Madeline stated that her dad got the whistle and makes it touch her candle; when reporter asked what her candle was Madeline pointed to her crotch. Reporter alleges that Kevin has sexually abused Madeline in the past four days. Reporter said she would not take Madeline to see a doctor because that will only cause more trauma. Alleged Victim: Kramer, Madeline
Relationship: Father
Allegation: 21-Sexual Molestation
Allegation Finding: Unfounded

Evidence suggesting an incident did not occur or that the alleged perpetrator is not responsible:

Police are closing case and not pursuing charges due to lack of evidence.
 Madeline did not make any disclosures at CAC. Madeline called her privates Poo poo or poop and did not use the terms that have been reported. Madeline did not recognize difference between male and female genitals. Madeline denied anything happens with her dad that makes her uncomfortable. Kevin denied allegations.
 Grandparents deny that Kevin is inappropriate with Madeline.
 There are three prior reports regarding Kevin 03/15/15 unfound, sexual penetration

06/25/15 unfound substantial risk of harm,, marked as harassment

11/19/15 unfound sexual molestation, marked false report

Police Chief reports the local hospitals will no longer work with the mother because they do not believe she is telling the truth.

Allegation Rationale:

Sexual Molestation is recommended unfounded. Police are closing the case and not pursuing charges due to lack of evidence. Madeline did not make any disclosures and denied her dad does anything that she does not like. Madeline did not appear to recognize male and female genitals to be different and did not have any terminology for body parts that were reported. Kevin denies he has ever been inappropriate with Madeline. There are previous reports of sexual penetration and molestation that were unfounded. 11/19/15 report for sexual molestation was marked as false report.

According to Rules and Procedures 300, the definition of Sexual Molestation is "sexual conduct with a child, when such contact, touching, or interaction is used for arousal, or gratification, of sexual needs or desires. Examples include but are not limited to:
